## WORSHIP - BREAKING UP THE SEASON AFTER PENTECOST

For the most part, the seasons of the church year follow the life of Jesus: Advent, Christmas, Epiphany, Lent, and Easter. The remainder of the church year encompasses the Pentecost season, which celebrates our life in the Holy Spirit. The season after Pentecost begins on the Day of Pentecost and lasts until Christ the King Sunday. (This year, that time is from May 23 until November 21.)

Additionally, in the lectionary readings for this year, we have five Sundays where we read from John 6 and each Sunday deals with bread in some way (which in Pastor Mike's opinion gets a little dreary (and hard to preach on!). To break up the length of this Pentecost season (and to give us a break from all the bread), we are going to try something relatively new in the church called the Season of Creation.

While God is celebrated throughout the entire church year, there is no focus to reflect in a concentrated way on the very creation itself. So the Season of Creation makes an effort at celebrating the gift of our creation that is redeemed and sanctified by God the creator, Christ the redeemer, and the Holy Spirit as sustainer of life.

We will celebrate this Season of Creation beginning on August 8th.

## WORSHIP LOGISTICS

Video Disclaimer: Since we are livestreaming worship, we want to also be sure everyone understands a new reality about the cameras. Our cameras DO NOT pan over the pews showing who is in attendance, but if you come forward you WILL be in view. So, if you prefer to not be on camera (the livestream and recorded service), keep this in mind. HOWEVER, also be aware that the people who watch the livestream enjoy seeing other's faces and feel connected in this way.

### Continuing measures:

We continue with the seating plan we have had with every row available on the pulpit side and every other row available on the organ side.

We are still asking everyone to sign in upon arrival for contact tracing efforts (in case it's needed).

We are still asking for everyone to wear masks while in the building if you are not fully vaccinated. If fully vaccinated, it is your choice to wear a mask or not.

We will also continue the use of the disposable communion kits, which can be picked up in the lobby when entering - along with a printed bulletin, as needed.

Additionally, we are still not singing during the music times (but invite you to continue humming lightly if you would like to do so).

Ushers will continue to dismiss from the back of the sanctuary AFTER the sending song.

Thanks to everyone for your cooperation!

## HARVEST OF FAITH

Throughout the summer, snap pictures (using your phone) of any and all places where you see God's kingdom breaking into our world - places where God is creating hope, places where you sense God at work (even if it doesn't seem obvious or grand in scale). Share these pictures with the church office (via email, text, on our Facebook page or print them and bring it in), so we can make a display for all to see all the ways that God's kingdom is growing.

---

## UNENDING THANKS ...

## ORDINATION TO THE MINISTRY OF WORD AND SACRAMENT

All of us who are baptized in Christ share in His ministry to love and serve others. Some individuals in this community are called for specific ministries. One of these ministries is the Ministry of Word and Sacrament. When an individual has completed all the candidacy, educational requirements and received his/her first "call", then he/she goes through the rite of ordination, a public "liturgical celebration". On the afternoon of Sunday, August 15, 2021, at 3:00 p.m., we will have the opportunity to participate in such a celebration. Christ the King is honored to host the rite of ordination for Vicar Ricardo Jimenez Reyes followed by a celebratory reception.

Ordination to the Ministry of Word and Sacrament is a service of Holy Communion with the whole church and will include guests from the Southwestern Texas Synod, participating pastors, members of MacArthur Park Lutheran Church as well as friends and family of Vicar Ricardo and Ramon.

Planning for this event is exciting. Likewise, it involves detailed planning similar to preparing for any special event such as determining seating arrangements, setting up, seeking volunteers, proper ambience, guest comfort, etc. The Worship and Intern Committees are busy working out the details. If someone should contact you asking you to help, please consider saying "yes".

By the grace of God and the call of the Church,  
 Ricardo Jimenez Reyes  
 will be ordained to the  
 Ministry of Word & Sacrament  
 Sunday, August 15, 2021  
 3 PM at Christ the King Lutheran Church  
 1129 Pat Booker Road, Universal City, Texas,  
 the Reverend Sue Briner  
 Bishop of the Southwestern Texas Synod ELCA, presiding.

All Rostered Ministers and Synod Authorized Ministers are invited to attend, vest, and process. The color of the day is red.

*For the love and concern of yourself and others, please wear a mask.*

Reception to follow in the Fellowship Hall

Please RSVP to Margaret Vogt at 210-658-2254  
 by August 10.

## Stewardship Message—August, 2021

We are now well into the second half of the year, and we look back and give thanks to our members for their generous support in which they continue to share their time, talents, and treasures. The past 15 months have presented a significant challenge to our ministry. We did not let the Covid epidemic stop us, and although difficult, we found ways to continue our ministry, and pray that it will continue and grow throughout this and subsequent years. It is through the faithful stewardship of our members that we did not let up in our commitment to the work of our Lord.

We have the momentum, and all we need to do is keep it going. One might compare what our congregation has done with that of a very long freight train. As you know, when a train leaves the station, it starts slowly and gradually increases speed until it reaches the desired level. Once it is on its way, look out! Put another way, and as you have heard, it is hard to stop a train. The Christ the King train continues to move forward and is doing well, all because of our collective and faithful use of our time, talents, and treasures.

Just as the controls of a train are in the hands of the engineer, let us always remember that **our** train is being driven, and our journey mapped out, by the Chief Engineer, Christ himself. He does not need a GPS, Map Quest, or I-Phone to lead us. All we need to do is follow His lead, stay on the train, add passengers, keep the faith, and maintain our goal of continuous service.

As stewards, let us continue and expand the work for which we have been entrusted, keeping our train moving in high gear, proclaiming our message of service, and sounding the whistle of Christ and His grace. Let us not relax or become complacent. Always remember, by working together good things will happen.

We are well on our way to putting the Covid epidemic behind us. Let us continue to keep our train moving, and ask God to guide and bless us as we continue serving neighbors near and far, and by so doing, growing disciples for Christ.

Bill Maddox

Stewardship Committee

## SCHOOL SUPPLY DRIVE

For the third consecutive year, Christ the King will give away school supplies to community children. The congregation of Christ the King is asked to have all donations to the church by Sunday, August 1. A small group of volunteers will sort and pack the supplies on Friday, August 6. The "big day" will begin at 10:30 am on Sunday, August 8. Members of the community are invited to stop by the church and pick up a backpack filled with supplies for their children. Please note the earlier date to bring supplies to the church! Of course, supplies are also welcomed on the original date of August 8.

For those interested in helping on August 8, please let Sheri Boos know or be on the lookout via Flocknotes.

*You're Invited!*

## COUNTERS NEEDED

Leona Hietala, Financial Secretary, has contacted those who had been counting offering prior to COVID to determine if they are still interested in continuing to be a part of the counting team beginning in September. If you were not contacted and have an interest in being a part of the team, please contact Margaret in the church office

## SAFE CONGREGATIONAL SINGING:

National Threshold = 70% to 85% of population fully vaccinated

<https://congregationalsonq.org/covid-updates-congregational-song/>

### TOTAL US POPULATION VACCINATION PERCENTAGE

### The Joy of Singing

Music is a gift and through music we connect with God and with one another. Singing has been an integral part of our worship service. As the coronavirus spread, the Worship Committee learned that the virus was spread through moist breath (aerosols projected into the air). Playing brass instruments and singing posed a greater danger of spreading the virus. Therefore, we elected (for the protection of all) to not sing or play impacted instruments until it's safe to do so for all people. Unfortunately, this risk still continues. The graphic above clearly shows when it is safe to sing. At the time of this writing, Bexar County's rate of vaccination was 62%. As you can see, we have a ways to go before we can all sing together again.

We have been having fun in Children's Church, while also learning more about the stories from each week. We will dismiss after the Gospel reading and reenter before communion to be with our families. .

### Preschool and Kindergarten Splash Day Fun!!

On August 22 at 10:30 after church, we are going to head over to the splashpad and have some water fun as a group. Parents can get a chance to know each other and kids can have some fun. Bring along a sack lunch and play in the park. We will have extra water and juice boxes and snacks available so everyone is hydrated.

### Youth Ministry Splash Day

August 29 at 10:30am we will get together after church and celebrate the end of summer with a splash!! We will have pizza and splash with water slides and water balloons. All youth are invited.

Please RSVP with Mariesa for this event so she can plan for pizza and drinks and you can invite friends. Parents if you are available to help with this event, please let me know.

All High School Youth and their Families—July 24—28, 2022 is National Youth Gathering in Minneapolis Minnesota and no one will want to miss this amazing experience.

August 29, we will have an informational gathering at 1:30 pm to discuss cost, fundraising and questions. If you are unable to make it in person, we will also have zoom available.

It's time for young and old and everyone in between to have fun getting in shape again while we raise money for others too!!

There are tons of 5ks out there that raise money for others. You don't have to run or even jog. You can walk or come out and cheer for the group. You can even donate money and get the cool swag that we get because that is fun too. Talk to Mariesa, Cade, Rich and Cindy Patterson about how to be a part of this fun (to name a few to get started.)

Some dates coming up:

9/11 Heroes Run, Walk and Ruck benefitting Veterans and First Responders

9/18 Cross Trails 5k (This one is Virtual but still very important for those who want to support Cross Trails)

11/25 Turkey Trot 5k Thanksgiving Day benefitting San Antonio Food Bank

If you want information about registration for any of these events, please find me. Also, if you know of an amazing 5k that we need to participate in, please let me know so that we can register.

## HELP WANTED!

As plans are being made to kick off a new year of Sunday school, your help is needed. We are seeking folks who would be willing to help out on a Sunday here and there. You would not be committed to every Sunday. Nor would you be asked to plan a lesson.

At Christ the King we practice a two deep policy for the safety of our children. Therefore, we need an extra adult on Sunday mornings.

If you are interested, please contact the church office so they can let Sheri Boos know.

Requirements:

1. Love Jesus
2. Love children
3. Complete a background check.

We will be studying the parables this year and it will be a lot of fun!

## SPECIAL THANKS

A SPECIAL NOTE OF THANKS TO OUR TALENTED BEHIND THE SCENES MEDIA SPECIALIST, Ryan Agrella. A recent online viewer commented that CTK's live stream was very professional and better than most online services the individual had watched! That is quite the compliment since CTK is a newcomer to live streaming.

## ADULT FAITH FORMATION OPPORTUNITIES

Adult faith formation is just as important as when we were children. We have a number of gatherings during the school year, but many take a break during the summer months. **These are open to everyone! So come join the discussion and bring a friend!**

### **Saturdays at 8:30 am** – via Zoom

You're invited join us at 8:30am on Saturdays for Bible study. We are currently discussing “The Great Deceiver”, which investigates if Satan is a real being or just an outdated representation of evil. The Bible speaks of him as a rebel angel leading his minions against God, the holy angels, and all God's children. But recent surveys suggest a majority of Christians in the United States don't believe Satan really exists. In this Bible study, we explore what the Bible has to say about our ancient foe with the help of seminary professors, pastors and individuals who have experienced the deadly guile of this great deceiver.

Please contact Thomas Hawkins for details if you are interested in joining us.

### **Wednesday morning**

We are taking a break during August, but will resume beginning in September.
